HOW TO MAKE A PUMPKIN LANTERN

Materials:

a pumpkin

a sharp knife

a candle

a spoon

some newspapers

Steps to be followed

1. Place the pumpkin on top of the newspaper.

2. Draw a circle on the top, after, cut out the circle.

3. Draw a face on the pumpkin with eyes, a nose, and a mouth.

4. Scoop out the seeds and any loose flesh using the dessertspoon and the knife if needed.

5. Cut out the eyes, nose, and mouth out of the pumpkin.

6. Using the knife, mark a circle the size of your candle in the centre of the base and hollow out the marked area with the spoon.

7. Place the top back on and put the candle. Enjoy your pumpkin lantern.
